

## Home Valuation Offer

[Prospect name]! Let's find out how much your house is worth!  
Good day, [Prospect Name]

We appreciate your interest in our value reports for your residence on [street name].

I'll start working on the value report for your house as soon as I can. You will receive the report within [processing time for valuation report] working days.

I'll consider the details you supplied on your contact form and information on previous home sales on [street name] while preparing the value report.

Is there anything else I can do for you in the meantime?

Regards,

(Your name)
