Greetings from [street address]

Greetings, [Prospect]

It was wonderful to meet you last weekend at [address]. I'm hoping you got a good sense of the house and [property features, such as the fantastic pool, enormous primary bedroom, and lovely view]. If I can answer any questions, please let me know.

I have another house nearby if you're interested in the area. With a few pleasant surprises, it has many amazing features that [address] possesses. This week, I'd be pleased to arrange a private viewing for you.

Once again, I appreciate your visit!

Regards,
