

## Thank You Email Template

I'm grateful.

Good day, [Client]

I hope you and [family member/pet name] are adjusting to your new home and beginning to feel at home.

I am writing to express my gratitude for choosing me as your realtor. Working with you was enjoyable, and I appreciate you allowing me to support you through this crucial process.

Please don't hesitate to contact me over the coming weeks and months if I can help with any questions. I know you'll receive a lot of junk mail, including letters misinforming you about your loan, but I'm always delighted to assist you in separating the genuine from the phony!

Cheers to nesting!
