

Under Contract Email

[Address] gone quickly, but I still have more!

Greetings, [Prospect]

We appreciate your interest in the home located at [address]. Meeting you was a delight. As you are presumably aware, a contract has been placed on this home.

Although that could be discouraging, I have some good news! I'd be pleased to set up a private or early showing especially for you for any of the other houses in the area that are shortly to be available.

Although the [neighborhood] is currently a competitive region, I am confident that with my experience, we can discover the ideal home for you.

Regards,

(Your name)
